

St. Luke's Student Innovation Awards Innovations Developed for Excellence & Advancement (IDEA) 2018

APPLICATION FORM

St. Luke's Medical Center invites college students nationwide to apply for the Student Innovation Awards.

We are looking for innovative breakthroughs in areas of medicine, technological advancements, or healthcare solutions. Innovations should provide significant improvements in existing products and services.

Winners will be chosen by a panel of judges. They will be featured in the St. Luke's official publications (Hotline and From the President's Desk), and official Facebook account.

Theme

A Safer, Sustainable, and Connected World

Eligibility to Join

The contest is open to all 3rd to 5th year college students currently enrolled in any university and college nationwide. Students may join individually (IDEA Maker) or as a team with 3 to 5 members (IDEA Collaborators).

Application Process

To apply for IDEA 2018, please email the following to **StudentInnovation@stlukes.com.ph**:

- a) Completed application form
- b) 5-page project proposal
- c) Link of 60-second video (uploaded to YouTube)
- d) Copy of school ID and certificate of enrollment

Submissions will be accepted from September 7, 2018 to October 21, 2018. Successful candidates will be contacted through email. Shortlisted participants will progress to a final panel interview. **The winners** will be announced during the culmination of the St. Luke's Student Congress.

Criteria for Judging

Novelty (20%) – The initiative demonstrates a leap in innovativeness and introduces a substantially new technology or process concept.

Robustness (20%) – Innovativeness has achieved solutions strong enough to withstand intellectual challenge, and produces unanticipated benefits.

Impact (20%) – Initiative potentially addresses any issues or areas of concern.

Adaptability (20%) – The proposal responds to changing circumstances and environment.

Clarity (20%) – The innovation can easily be understood and followed, is accessible to St. Luke's Associates, and conveys compelling solutions that can easily be adopted.
